How can these Former clients be wrong?

*NextHome was the perfect Brokerage to have for our Home In West Pagosa Springs. They did go the extra mile for us and it was appreciated. If you are looking for a Realtor that will go out of their way to get the job done then you need to talk to NextHome Realty.
You will not be disappointed! - Elizabeth Gillard*

Our Listing Broker is not only an amazing realtor, but also very professional and kind! She recently help sell my property In Colorado from another state, and made things as easy, smooth and stress free! Prior to that, a different real estate agent had it listed but did not sell it. The NextHome Team took care of my property while rented out, resolved any issues, They go above and beyond ensuring everything is accomplished, and honestly treats you like family along the way! I highly recommend the NextHome Team for your selling or buying needs! - Abigail Lucero
